

Can you conclude the triangles are similar? If so, write a similarity statement and name the postulate or theorem you used. If not, explain.

Are the triangles similar? If so, write a similarity statement and name the postulate or theorem you used. If not, explain.

Algebra Explain why the triangles are similar. Then find the value of x .

Indirect Measurement Explain why the triangles are similar. Then find the distance represented by x .

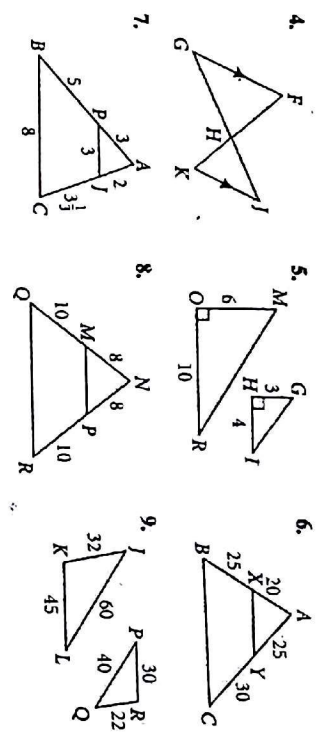

18.

19.
